- 3.0 Construction Programme
- 4.0 Progress Photos

1.0 EXECUTIVE SUMMARY

The Development programme is has been reviewed in light of various project scope changes and the completion dates for each of the blocks has been firmed up. Dates are as follows extracted from the programme within Section 3 of this report:-

Block A - Complete

Block B - 21st July 2017

Block C - 20th June 2017

Block D - 1st September 2017

Block E - 3rd July 2017

Scope changes which have occurred are the introduction of an additional new build block (Block E) creating 40 additional cluster apartments and the omission of all underground parking.

All Subcontractor orders for the new build blocks have been placed.

The latest site inspection took place on 17th March 2017 to review progress on site. The inspection assessed works undertaken to date on the overall site development area. The following observations were made.

Site Progress undertaken to date include:-

Site set up complete

Block A:-

All works complete

Blocks B, C and E:-

Demolition complete

Substructure ground beams and pads complete

Ground floor slab cast

Structural frame complete

Upper floors complete

External timber panels complete

Brickwork complete

Lift shafts complete

Roof coverings complete

Metal stud work complete to Block C and E, 20% Complete on Block B

Plasterboarding complete on Block C and E, 10% complete on Block B

Plaster skimming complete

First fix mechanical and Electrical complete on Blocks C and E, 20% complete on Block B

FOX STREET, LIVERPOOL

Second fix mechanical and Electrical 90% complete on Blocks C and E

Staircases complete

Balustrading complete on Block C and E, 50% complete on Block B

Window installation complete

Under slab drainage complete

Painting 85% complete Blocks C and E

Fist fix joinery complete on Block C and E

Kitchen installation 95% complete on Blocks C and E

Tiling 95% complete on Blocks C and E

Rainscreen cladding 50% complete

Block D:-

Demolition complete

Both basements cast

Concrete pads and ground beams complete

Structural frame erection 98% complete

Upper floors commenced

Drainage 90% complete

Works expected to be undertaken over the next reporting period:-

Blocks B, C and E:-

Works will be focused on Block C and E with little progression on Block B

Completion of sanitary ware

Completion of decorating

Commence floor coverings

Commenced testing and commissioning of services

Continue with completion of rain screen cladding

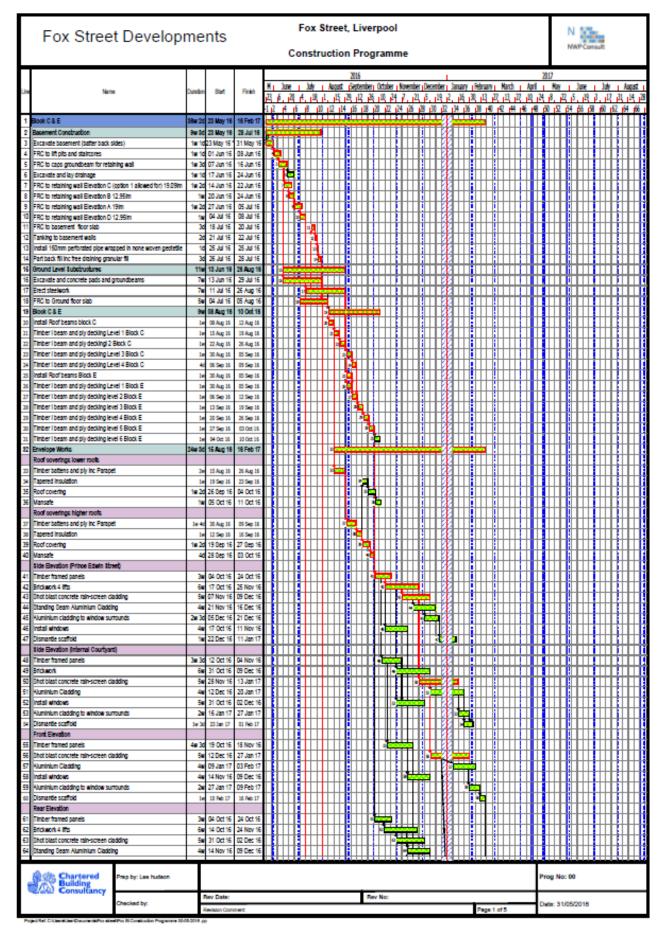

Block D:-

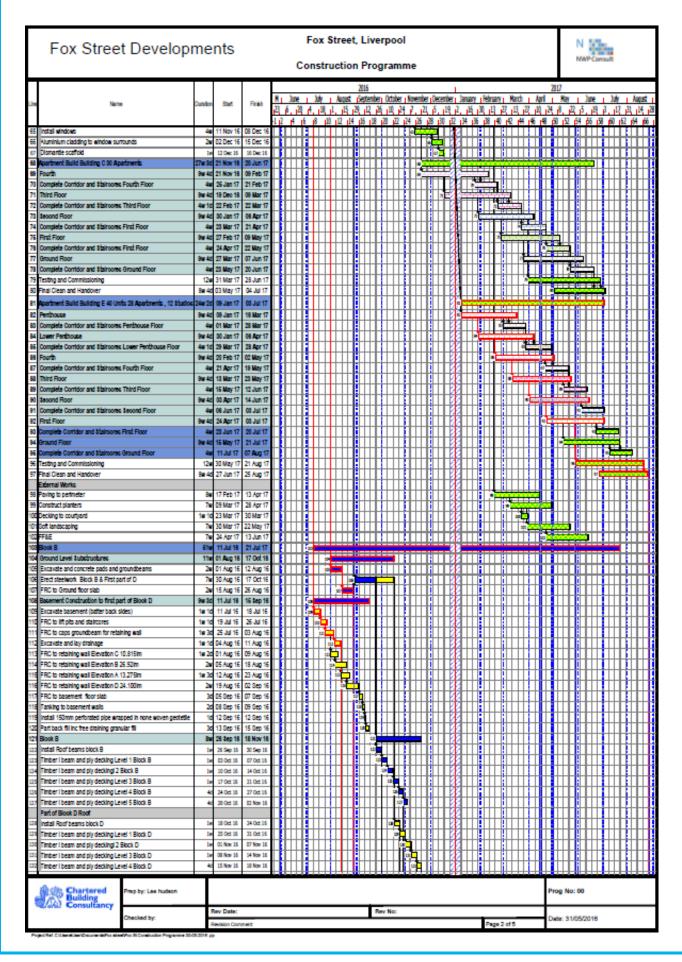

Steel frame to be complete
